## DRIVING RECORD EVALUATION

This form must be completed to be considered for employment

All applicants for career and volunteer positions with Orcas Island Fire & Rescue will have their driving records evaluated. Orcas Island Fire & Rescue uses the violation points system listed below. If your permanent driving record reflects a total of six (6) points or more for a period of 36 months (3 years) preceding the date of your application, you will not be allowed to continue the process. Therefore, if you know that your driving record is less than six points, you may apply. However, any new violations that occur before the completion of the probationary process, which put your total score over six points will disqualify you. Annual evaluation of a member's driving record may be made during a member's employment or volunteer service. Any current member found in violation of this evaluation will result in the suspension of the driving privileges and/or termination of membership with Orcas Island Fire & Rescue.
