**COLLECTIVE BARGAINING AGREEMENT**

**PREAMBLE**

- PRE-1. This agreement is entered into by and between San Juan County Fire Protection District #2, hereinafter referred to as the "District" and Local 3911, International Association of Fire Fighters, herein after referred to as the "Union".
- PRE-2. It is the purpose of this Agreement to achieve and maintain harmonious relations between the District and the Union; to provide for equitable and peaceful adjustments of differences, which may arise, and to establish proper standards of wages, hours and conditions of employment for members of the bargaining unit and to protect life, property and the environment through emergency medical services, fire/rescue services, and public education in a cost-effective manner.

**Article 1: Recognition**

- 1.1 The District recognizes the Union, as the exclusive bargaining unit for the full time bargaining unit employees whose primary duty, while on a shift schedule, is first response to incidents as outlined by their job description, irrespective of rank or additional duties. This shall exclude supervisors, confidential employees and all other employees.
- 1.2 When it is necessary to add or change a classification(s) within the District, the Fire Chief will establish an appropriate wage level and specifications for the new classification. If the classification falls within the Union bargaining unit, the Fire Chief and the Union shall reach an agreement on wages and conditions of said new classification(s) and said Agreement shall be subject to the approval of the Union and the District.
- 1.3 The parties will meet to discuss the bargaining unit status of newly created uniformed positions. When the Union and the District cannot mutually agree upon whether a new classification should be included within the bargaining unit, either party may request a unit clarification by the Public Employment Relations Commission.

**Article 2: Non-Discrimination**

- 2.1 The Employer and the Union agree to abide by state and federal laws pertaining to discrimination of employees, provided, however, that violations of this Article shall not be subject to the grievance procedure if the aggrieved party or the Union initiates administrative or civil proceedings involving substantially the same allegations of discrimination or unlawful discharge, and provided further, that any grievance award based on this Article shall not be enforceable if the grievance or Union thereafter initiates such administrative or civil proceedings. Note: Applicants for employment are not part of the bargaining unit.
  
- 2.2 The District agrees there shall be no discrimination, interference, restraint or coercion by the District against any employee for their activity on behalf of, and/or membership in or non-association with the Union.

**Article 3: Union Dues Deduction**

- 3.1 The Union will notify the Employer of its initiation fees and dues. The Employer will deduct such initiation fees and Union dues from wages of those employees who authorize such deductions in writing and forward them to the Union each pay period.
- 3.2 Any employee may revoke his or her authorization for payroll deductions of payments to the Union by a written notice to the Employer. Every effort will be made to end the deduction effective on the first payroll, but no later than the second payroll, after the Employer's receipt of the employee's written notice.
- 3.3 The Union will defend, indemnify, and hold harmless the Employer against any and all liability which may arise by reason of the deduction by the Employer of money for Union membership dues from an employee's wages in accordance with employee authorizations furnished to it by the Union.

**Article 4: Union Business**

- 4.1 Designated employees may take time off from scheduled work shifts for official Union business (conferences, workshops, and the like), using their accumulated leave benefits, shift trades or leave without pay provided, however, that the staffing requirements of the District are maintained. Such time off shall be at no added cost to the District.
- 4.2 The District shall provide space for bulletin boards for Union Business in each fire station at convenient locations accessible to the employees.
- 4.3 The Union shall be allowed to hold its regular monthly meetings (first Wednesday of each month at 1000 hours) at Station #21. Additional special meetings may be permitted at Station #21 based upon availability with the Fire Chief's approval. On-duty personnel may attend the meetings and shall remain in-service and alarm ready.

## **Article 5: Management Rights**

### **5.1 General Statement**

Any and all rights concerned with the management and operation of the District are exclusively the prerogative of the Employer, unless otherwise specified by this Agreement. The Employer's rights may include, but are not limited to, the right to discipline, temporarily layoff, or discharge employees; to assign work and determine duties of employees; to schedule hours of work; to determine the number of personnel to be assigned to a duty at any time; and to perform all other functions not otherwise expressly limited by this Agreement or applicable law or federal regulations.

### **5.2 Adoption of Rules**

The Employer has the authority to adopt rules for the operation of the District and the conduct of its employees, provided such rules are not in conflict with the provisions of this Agreement or applicable law. Should any portion of this article be contrary to or in conflict with any other portion of this Agreement, other such article shall prevail.

### **5.3 Source of Employees**

The Employer shall have the exclusive right to determine the source or sources of applicants for employment. The Employer, with the recommendation and approval of the County Medical Program Director, shall be the sole judge of the requirements and qualifications of such applicants.

### **5.4 Examples of Employer's Rights**

The Employer's rights shall include, but are not limited to, the following:

- To recruit, hire, promote, transfer, assign and retain employees.
- To lay off employees.
- To discipline, suspend, demote or discharge employees for just use.
- To determine the number of personnel per shift and to determine the number of personnel for apparatus/equipment staffing.
- To appoint employees to positions within the District.
- To fill vacancies.
- To determine duties to be performed by employees in the various classifications.
- To create, modify and implement rules and regulations or policies and procedures for the operation of the District and the conduct of its employees.

- To determine levels of service to be offered to the public and discontinue work that is wasteful and nonproductive.
- To control the District's budget.
- To take any action necessary and prudent in the event of emergency (e.g., natural disasters or catastrophes).
- The right to schedule hours within the parameters of the contract.
- The right to introduce new and improved methods or equipment in order to improve efficiency and operation of the District.

#### 5.5 Emergency Situations

In the event local, state or federal emergency conditions require immediate and unusual mobilization of staff, as reasonably determined by the Employer (e.g., such as, but not limited to, man-made or natural disasters, storms, earthquakes, civil disturbances, forest fires or other similar emergencies), the Employer may take any and all actions as may be necessary to carry out the mission of the District.

**Article 6: Entire Agreement**

- 6.1 The Agreement expressed here, in writing, constitutes the entire agreement between the parties and no oral statement shall add to or supersede any of its provisions. Each party to this agreement agrees that it has had the unlimited right to make proposals that are proper subjects for bargaining. Therefore, it is agreed that this document contains a full and complete Agreement on all bargainable issues between the parties hereto and for all whose benefit this Agreement is made, and no party shall be required during the term of this Agreement to re-negotiate or bargain upon any issue referred to or covered in this Agreement. While those letter(s) of intent and/or Memorandum of Understanding (MOUs) executed by the parties are not specifically part of the Agreement, they represent the continuing intent of the parties to abide with their terms during this Agreement as long as they are not in conflict with any terms of this Agreement. Except as provided by this Article or elsewhere in this Agreement, the parties retain their right to bargain over any subject matter not covered in this Agreement which may arise out of a change in circumstances that affects wages, hours and working conditions upon mutual agreement. The Union agrees to abide by and support District rules and regulations, and to provide input, where requested, in the development of those rules and regulations.

**Article 7: Savings Clause**

- 7.1 Should any provision of this Agreement or the application of such provisions be rendered or declared invalid by a court of final jurisdiction or by reason of any existing or subsequently enacted legislation, the remaining parts or portions of this Agreement shall remain in full force and effect. In such event, the parties agree to re-negotiate or replace the provision or provisions declared invalid so that the parties receive benefit from the re-negotiated provision(s) and the Agreement. This will be done as soon as practical.

**Article 8: [Reserved]**

**Article 9: Work Stoppage / No Strike Provision**

- 9.1 The District and the Union agree that the public interest requires the efficient and uninterrupted performance of all services, and to this end, pledge their best efforts to avoid or eliminate any conduct contrary to this objective. The Union shall not cause or condone, and the employees shall not engage in any work stoppage, strike, slow down, mass resignation or absenteeism or other interference with District functions and should same occur, the Union agrees to take appropriate steps to end the interference. Should any job action occur within the geographic jurisdiction of the District, employees may be required to cross an established picket line to perform emergency or non-emergency activities. The District agrees to meet at the Union's request to establish a temporary procedure for non-emergency activities.

## Terms of Conditions of Employment

### Article 10: Safety Committee

- 10.1 WAC 296-305 requires that there shall be a Safety Committee to serve in an advisory capacity to the Fire Chief. The make-up of the Safety committee shall include employer and employee representatives. The number of employer selected representatives shall not exceed the number of employee selected members. The committee shall meet at least once each calendar quarter, or more often as agreed, to discuss appropriate matters concerning health and safety. Minutes shall be taken of all safety meetings and posted once findings and recommendations are reviewed by the Chief.

**Article 11: Labor Management Committee**

- 11.1 The District and the Union agree to jointly maintain and support a Labor Management Committee.
- 11.2 The coordinators of the Labor Management Committee will be the President of the Union and the Fire Chief or their designees. There may be up to two (2) representatives of the Union and two (2) representatives of the Employer. A member of the Board of Fire Commissioners shall be invited to observe the meetings.
- 11.2.1 Meetings of the Labor Management Committee will be scheduled to take place at least quarterly; however, by mutual agreement of either coordinator, the frequency of Labor Management Committee meetings may be modified. Committee meetings shall be scheduled at mutually agreeable times and places.
- 11.2.2 A proposed agenda shall be jointly prepared by the coordinators and distributed to all union members prior to each meeting. Unless otherwise agreed, minutes shall be kept of the meetings and copies submitted to each of the coordinators for approval. Approved meeting minutes shall not be considered confidential and may be distributed to all union members.
- 11.2.3 Bargaining Unit members will not be compensated for time spent in the meeting(s) exclusive of their regularly scheduled work hours. The District and the Union will attempt to make arrangements to allow any committee member on-duty to participate in the scheduled meetings.
- 11.2.4 It shall be understood that any matter that has been made the subject of a formal grievance under the terms of the Labor Agreement shall be excluded from discussion within the Labor Management Committee, and furthermore, discussions held during Labor Management Committee meetings shall not be considered as having fulfilled any portion of the grievance procedure, including filing or notification.
- 11.2.5 It is understood that (unless otherwise agreed) the work of the Labor Management Committee shall in no way add to, subtract from, alter, or amend the labor agreement.

## **Article 12: Grievances**

12.1 For the purpose of this Agreement, a grievance is defined as an alleged breach by the District or the Union of the express terms and conditions of this Agreement. Only the Union or the District can act as an aggrieved party or file a grievance on behalf of one or more of its members in the grievance procedure. If any such grievance should arise during the term of this Agreement, it shall be reduced to writing and submitted to the following procedure.

12.1.1 The Union or the District, within thirty (30) calendar days following the occurrence of the event giving rise to the grievance, or thirty (30) calendar days after the event is known, or reasonably should have been known, may bring said grievance to the attention of the Fire Chief if the grievance is by the Union, or the President of the Union if the grievance is by the District. This action shall be in writing, specifying the Article in the Agreement that has been allegedly violated, giving the date, time, place and witnesses, if applicable, and remedy sought. The Union or the District, as the case may be, shall make every effort to resolve the alleged grievance and respond in writing within fourteen (14) calendar days.

12.1.2 If the grievance is not settled at 12.1.1, the grievance may, at the decision of the aggrieved party, be submitted to the Orcas Island Fire & Rescue Board of Fire Commissioners within fourteen (14) calendar days. A written decision shall be rendered within fourteen (14) calendar days. If the aggrieved party is the District, the District may pass 12.1.2 and go on to 12.1.3.

12.1.3 If the grievance is not settled in 12.1.2, the grievance may be submitted to arbitration by either of the parties upon fourteen (14) calendar days written notice to the other party.

12.1.4 An impartial arbitrator shall be selected from a list of nine (9) arbitrators requested from the American Arbitration Association. Within seven (7) calendar days of receipt of the list, the parties shall make a decision of an arbitrator. The parties shall meet and shall take turns in the striking of names from the list until one name remains; the first striking to be governed by the toss of a coin.

The arbitrator's decision shall be final and binding, subject to limits of authority stated herein. The arbitrator shall have no authority or power to add to, delete from, disregard or alter any of the provisions of this Agreement, but shall be authorized only to interpret the existing provision of this Agreement. If the arbitrator should find that the Employer was not prohibited by this Agreement from taking, or not taking, the action grieved, he/she shall have no authority to change or restrict the Employer's action. Any dismissal by the arbitrator, whether on the merits or on procedural grounds, shall bar any further arbitration.

12.1.5 The Union and the District may, by mutual written agreement, extend the time limits specified in this grievance procedure. By mutual agreement, between the parties, any step in the grievance procedure may be omitted and/or the grievance may be advanced to the next step.

- 12.1.6 Nothing herein shall prevent an employee from seeking assistance from the Union or the Union from furnishing such assistance at any stage of the grievance procedure. The District may likewise seek assistance from advisors or counsel at any stage of the grievance procedure.
- 12.1.7 The expense of the arbitrator, the cost of any hearing room and the court reporter, unless such are paid by the State of Washington shall be borne equally by the Employer and the Union. Each party shall pay the cost of their own representatives, witnesses, and other costs associated with the presentation of their case.

**Article 13: Discipline and Discharge**

- 13.1 It is agreed that the District has the right to discipline employees as provided by the laws of the State of Washington and the terms of this Agreement.
- 13.2 The District and the Union will abide by a mutually agreed on Disciplinary Procedure as currently exists, and as published by the District. Provided, the District retains the right to amend such Disciplinary Procedures at any time after negotiation with the Union as to the effects of the change.
- 13.3 Discipline shall be administered on a progressive and corrective basis, although the Union recognizes that certain actions may be of sufficient importance and to require immediate termination.

## **Article 14: Reduction in Force/Return Rights**

14.1 In case of personnel reduction, the employee with the least seniority in the job classification affected by the reduction shall be laid off first. The effected employee may bump a less senior employee in another job classification for which the employee is qualified. Each employee laid off shall be placed on a reserve list in order of lay off. Available positions shall be filled from the reserve list on a laid-off first hired basis before persons outside the list are hired. The District's obligations to the above shall end twenty-four (24) months after the employee's layoff to be eligible for rehire from the list.

If the reduction in force results in an employee's demotion to a lower ranking position within the bargaining unit, then that employee shall have the right to be placed back in that position or a substantially similar position if a vacancy exists within 48 months; providing the employee meets the required qualifications credentials and/or certification at no additional cost to the District.

The employer shall notify the Union President and affected employee in writing within ten (10) calendar days of the decision to layoff. This notification allows the Union to request to bargain the impacts and effects of the layoff decision. The employer shall notify affected personnel no less than sixty (60) calendar days prior to the effective date of any layoff.

14.2 The District reserves the right to ascertain that returning employees are fully qualified to resume work and fit for duty by administering medical exams to those employees.

14.3 Former bargaining unit members who have been promoted and/or appointed to a non-represented position will have a limited right to return to a bargaining unit position, as set forth herein. This right of return to the bargaining unit will not apply to anyone who was not formerly a member of this bargaining unit.

14.4 An employee must request to return to the bargaining unit in writing within the first 24 months after they have left the bargaining unit as a result of a promotion or an appointment into a non-represented position. The request to exercise return rights must be communicated in writing by the employee seeking to exercise his or her return rights to both the Fire Chief and to the Local President. If a written request to return to the bargaining unit is not made by an employee within 24 months after they have left this bargaining unit as a result of a promotion and/or an appointment, the return rights set forth herein will be permanently forfeited.

14.5 Employees terminated for just cause from their non-represented position will not have return rights. Provided that the employee has not been terminated for just cause, the employee may request to return to the bargaining unit either because the employee's non-represented position is being eliminated due to lay off or because the employee has decided voluntarily that they would rather return to a bargaining unit position.

14.6 Non-represented employees can only return to a bargaining unit position if such a position is vacant. In other words, non-represented employees cannot "bump" a represented employee out of a position in order to return to the bargaining unit. A

proposed return to the bargaining unit of a non-represented employee also cannot cause any layoffs of any current bargaining unit members.

- 14.7 If a non-represented employee makes a written request to return to the bargaining unit within 24 months after they have left the bargaining unit as a result of a promotion and/or an appointment, they will be eligible to do so if they meet the other requirements set forth in this Article so long as there is an open position within the bargaining unit and for which the employee is qualified.
- 14.8 A non-represented employee seeking to return to the bargaining unit must be qualified to serve in any vacant bargaining unit position regarding which the employee is seeking to exercise his or her return rights.

**Article 15: Voluntary Reclassification or Resignation**

- 15.1 The District recognizes that from time to time employees may, for a variety of reasons, choose to relinquish the responsibility of a given position. This may take the form of a resignation or a request for reclassification to a lower rank or classification.
- 15.2 Requests for reclassification to a lower rank or classification will be reduced to writing and handled on a first come first served basis in conjunction with the needs of the District. The District will notify an individual requesting such transfer within twenty (20) working days whether the request has been approved and of an anticipated date for reassignment.
- 15.3 The granting of an employee's request for reassignment is at the discretion of the Chief and dependent upon the existence of an appropriate open position. An "appropriate open" position shall be defined as a vacant authorized position at the rank appropriate for the employee requesting reclassification, which may occur as a result of routine turnover, addition of positions, or promotion.
- 15.4 Written notice of voluntary resignation from a bargaining unit position shall be given not less than thirty (30) days prior to the effective date of the intended resignation to give the District ample opportunity to fill the position with qualified personnel. The District reserves the right to waive the 30 days notice.

**Article 16: Probationary Period**

- 16.1 All newly hired full time employees shall serve a one (1) year probationary period. Probationary employees will be evaluated on at least a quarterly basis by a designated supervisor. The Union may represent probationary employees during their probationary period, except that probationary employees may not appeal discharge under the terms of this Agreement. Probationary employees may be terminated without cause. Likewise, employees promoted to bargaining unit position shall serve a one (1) year review period during which time they may be reassigned to a bargaining unit position at any time. Termination of a promoted employee shall be for just cause.

**Article 17: Education / Certifications – EMT's**

- 17.1 All Employees covered by this agreement are required to obtain and/or maintain a Washington State Emergency Medical Technician Certification.
- 17.2 The District agrees to pay the cost(s) of all EMT certification and recertification classes and tests taken by the employee.
- 17.3 Employees taking state required EMT courses shall be allowed sufficient time off with pay, to the extent required by FLSA, to attend those classes should the scheduling of these classes coincide with the employee's normal work schedule.
- 17.4 When employees are required to attend mutually agreeable continuing education or training classes, while not on shift, they shall be compensated at the rate of regular time of the employee's regular hourly salary for each hour spent in class or training sessions, however, if such education hours places the employee's hours over the FLSA period for overtime, then overtime will be paid to the extent required by the FLSA. (Reference Article 29.4.1).
- 17.5 The District agrees to provide all employees equal opportunity to recertify. Failure to obtain or retain certification within 60 days of expiration of the certification may result in disciplinary action up to and including termination.
- 17.6 If the employee commences and initiates a re-certification process in good faith and in a reasonable manner on or prior to the expiration of any certification required by the employee's position, then the employee shall not be disciplined or terminated if issuance of the re-certification is delayed beyond its expiration for any reason not within the employee's reasonable control. This provision shall cease to apply 60 calendar days after expiration of the certification.
- 17.7 When employees are required by the District to attend additional continuing education or training classes, while not on shift including paid time off or disability, the employee shall be compensated at the overtime rate of one and one half time for each hour spent in class or training for continuing education required by the District. (Reference Article 29.4). As used in this article the term disability shall not include hours during which an employee is approved to limited duty by their physician. (For continuing education or training classes exceptions reference Article 29.4.1.)
- 17.8 When employees are on approved Education Leave (Example: Paramedic Training program), shift vacancies will be filled per the vacancy process set forth in Article 29.

**Article 18: Education / Certification –Paramedics**

- 18.1 Future appointed employees to the position of Paramedic shall maintain their certification for a minimum period of five (5) years from date of hire or date of appointment, whichever is longer. The following exceptions shall apply:
- 18.1.1 Paramedics may promote to the rank of Captain and/or Battalion Chief after completing a one (1) year tour of duty as a paramedic with Orcas Island Fire & Rescue; however, the Fire Chief may decide to promote a paramedic prior to one year tour of duty.
  - 18.1.2 Paramedics that leave employment with Orcas Island Fire & Rescue prior to five (5) years of service as a Paramedic, shall reimburse Orcas Island Fire & Rescue all costs, (including tuition not covered by the Medic One Foundation, housing, wages paid attending school), incurred by the District towards their original paramedic training. Reimbursement will be calculated at a rate of 20% per year of uncompleted paramedic service time. Reimbursement shall be made from the employee's final paycheck and/or severance pay.  
  
The employee shall be forgiven any outstanding reimbursement if the employee has been laid-off by the district or if the employee receives an on-the-job injury leading to disability.
- 18.2 If an employee is approved to attend a Paramedic certification course by the Fire Chief the District agrees to pay the cost(s) of all paramedic certification training and recertification classes and tests taken by the employee.
- 18.3 When an employee is approved to attend a Paramedic certification course by the Fire Chief, that employee will be compensated at their normal rate and hours per scheduled shifts. The employee will not be compensated for additional hours incurred by the course. Exceptions would include if the employee is required to return to the District for additional training and meetings where FLSA overtime is accrued as a result.
- 18.4 As a condition of continuing employment, all Paramedic personnel shall maintain their certification. Certification shall consist of Washington State Department of Health and San Juan County Medical Program Director standards.
- 18.5 The District agrees to provide all employees equal opportunity to recertify. Failure to obtain or retain certification within 60 days of expiration of the certification may result in disciplinary action up to and including termination.
- 18.6 If the employee commences and initiates a re-certification process in good faith and in a reasonable manner on or prior to the expiration of any certification required by the employee's position, then the employee shall not be disciplined or terminated if issuance of the re-certification is delayed beyond its expiration for any reason not within the employee's reasonable control. This provision shall cease to apply 60 calendar days after expiration of the certification.

- 18.7 When employees are required by the District to attend additional continuing education or training classes, while not on shift including paid time off or disability, the employee shall be compensated at the overtime rate of one and one half time for each hour spent in class or training for continuing education required by the District. (Reference Article 29.4). As used in this article the term disability shall not include hours during which an employee is approved to limited duty by their physician. (For continuing education or training classes exceptions reference Article 29.4.1.).
- 18.8 When employees are on approved Education Leave to attend training, shift vacancies will be filled per the vacancy process set forth in Article 29, specifically utilizing ALS approved providers.

**Article 19: Seniority**

- 19.1 Seniority shall be determined by continuous service as a career member with the district from the date of hire (except for purposes of layoffs as defined in Article 14.1). Continuous service shall only be broken by resignation, discharge, leave of absence, service disability, retirement or a layoff.
- 19.2 Employees with the same hire date shall be assigned to the seniority list in order of their ranking on the hiring list on the date of hire.
- 19.3 During the period that any employee is on an authorized leave-of-absence without pay, disability leave or on layoff status, seniority shall not accrue. Upon returning to work after such leave or layoff, the employee shall be granted the level of seniority previously accrued and as adjusted.
  - 19.3.1 Exceptions shall apply: Employees on approved Military Leave and approved Family Medical Leave Act shall accrue and retain seniority.

The above table for 2022 reflects a hypothetical 3% COLA but is subject to change when CPI-W is issued.

**Notes on Wage Tables and Retroactive Pay:**

1. **Annual Increase and COLA:** The wage table for 2019 and 2020 represents a 2% per year wage increase plus a further cost of living increase (COLA) of 100% of the Seattle-Tacoma-Bellevue CPI-W (October – October) with a minimum of 1% and a maximum of 3%.
2. **Retroactive Pay:** Following the first payroll which is feasible for the District following mutual execution of this CBA (“Effective Date”), the District shall make a lump sum retroactive payment to each covered employee for the following:
  - a. Wage increases of 2% for 2019 and that portion of 2020 through the Effective Date.
  - b. The parties agree that the COLA for 2019 was 3.0%. Of this amount, the District has already paid 2.8%; thus, an additional 0.2% in retro pay for this COLA is due for the period of January 1, 2019 to the Effective Date.

The parties agree that the COLA for 2020 is 2.7%. The District has already paid this amount in 2020 and, thus, no retro payment is due for this COLA.
