

Orcas Island Fire & Rescue

Neighbors Serving Neighbors Since 1948

Orcas Island Fire & Rescue San Juan County Fire Protection District #2

Is seeking to fill one vacancy and create an eligibility hiring list for the position of:
FireMedic/Duty Officer

Our mission is to save lives and protect property through services delivered with professionalism and compassion. We provide high-quality services that contribute to a safe, healthy, and thriving community, in a transparent and accountable manner that fosters trust and community engagement. We truly are *neighbors serving neighbors*.

Position Summary:

As a **FireMedic/Duty Officer** you will respond to emergencies and perform fire suppression activities, rescue work, hazardous materials response, and basic or advanced life-support emergency medical service. You'll employ your knowledge and attention to detail by maintaining a state of readiness of facilities, vehicles, apparatus, and equipment by comprehensive inspections, cleaning, testing, and maintenance. In addition, you will demonstrate your competence and compassion when interacting with the public performing essential non-emergency duties such as fire prevention, inspections, public fire education, and injury prevention education.

In this position you may hold the rank of Lieutenant or Captain, as such, you'll carry the title of "Duty Officer" with concurrent responsibilities for managing the day-to-day activities of Orcas Island Fire and Rescue and its operations and personnel.

Salary and Benefits:

Orcas Island Fire and Rescue offers competitive salaries and a range of excellent benefits, including:

- Annual Salary Range Information: \$82,562.51 to \$132,422.42 based on experience and rank
- Schedule: Four-platoon system with rotating shifts, 48 hours on duty, and 144 hours off
- Benefit information: Per the CBA with IAFF Local 3911

Minimum Requirements:

- Must be able to document a minimum of three years' experience as a 911 paramedic responder with a recognized first response agency
- High School Diploma or equivalent
- Must possess a valid Washington State Paramedic certification or be eligible for Washington State Reciprocity, and must complete a successful certification process with the State of Washington prior to

Orcas Island Fire & Rescue

appointment

- Must have a valid Washington State driver's license by appointment
- Must pass the San Juan County EMS Protocol Exam prior to practicing EMS
- Must have or obtain a department-sanctioned EVIP qualification within six months of selection

FEMA ICS 100, 200, 700, 800

- Firefighter I and II courses or approved equivalent
- Fire Officer or equivalent leadership and management certifications/training
- At time of application, preference for IFSAC Certified Firefighter I and II, Wildland Firefighter II (Equivalent certifications and experience will be considered.)
- Applicant must be able to wear PPE and Self-Contained Breathing Apparatus (SCBA)
- Ability to complete department wellness assessment

Responsibilities Include the Following:

- Respond to emergency medical, and all hazard calls, and provide service compliant with the department's protocol and up to level of training. Service includes basic and advanced life support.
- Respond to fire calls and rescue individuals from emergencies including evacuations, perform fire suppression, exposure protection, confinement, ventilation, salvage, overhaul operations.
- Respond to emergencies involving hazardous materials and work within the level of training in operations, technician, or specialist positions.
- Drive and operate fire apparatus, ambulances, and other department vehicles; properly utilize equipment for extrication of persons trapped in vehicles or buildings.
- Lead or assist in the creation, delivery, and participation in drills and attend training exercises in firefighting, fire equipment, hazardous materials, rescue, and emergency medical skills; successfully complete training programs in all phases of duties and responsibilities.
- Perform fire prevention and public education programs including public speaking and conducting classes in such topics as: fire extinguisher usage, evacuations, CPR, and first aid.
- Respond to non-emergency calls for assistance and safely perform assigned functions required to assist the public, including but not limited to providing information, lifting assistance, and pest removal.

This list is not exhaustive, a full position description is available upon request.

Highly Desirable Qualifications

Any combination of experience and education that indicates a candidate's qualifications will be considered. At a minimum, Orcas Island Fire and Rescue is looking for a team member who understands that the job is not singularly focused upon responding to emergencies and fighting fires. If you have:

- *A strong commitment to customer service*
- *A "self-starter" work ethic with the ability to work with a minimum of direct supervision*

Orcas Island Fire & Rescue

Neighbors Serving Neighbors Since 1948

- *Experience working with volunteer's*
- *A Washington State Certified Emergency Medical Technician-Paramedic*
- *Experience in a leadership role at emergency scenes, such as Company Officer or Incident Command*
- *Experience in logistics*
- *Strong organizational skills*

then you can expect to thrive in this position.

Our Fire District:
